

Alloa Park

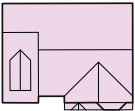

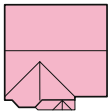

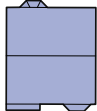

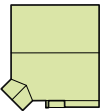

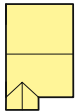

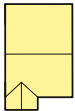

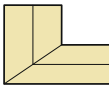

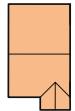

SITE PLAN

Opportunities for plot substitution. We may be able to change the style of house available on your preferred plot. Please ask for details.

The plans does not show final details of gradients of land, boundary treatments, local authority street lighting or landscaping. We aim to build according to the layout, but occasionally we do have to change house designs, boundaries, landscaping and the positions of roads, footpaths, street lighting and other features as the development proceeds.
